LATE SHRI PAD. VASANTDADA PATIL. LATE SHRI MANOHAR PHALKE.

ABOUT US ...

Vasantdada Patil Pratishthan is a Trust registered under Bombay Public Trust Act 1950 on 09.06.1981 with Charity Commissioner's office at Mumbai. The Trust is also registered with Assistant Registrar of Societies under the Societies Registration Act, 1860 on 22.04.1981.

The Trust's Educational Complex is spread over an area of 7.5 acres in central Mumbai in Sion. The trust is established with an aim & objective of imparting Higher and Technical Education to public at large. The added advantage of the Pratishthan is its lush Green surrounding in a Prime Location of Mumbai which can be accessed by public from any corner of Mumbai.

The Trust has established Engineering College in the name of Padmabhushan Vasantdada Patil Pratishthan's College of Engineering in 1990 and was imparting degree education in engineering in following branches (with intake capacity of 60 each.)

- (i) Computer Engineering
- (ii) Electronics Engineering
- (iii) Electronics and Telecommunication Engineering
- (iv) Information Technology

The Trust had 4 years Marine Engineering course with intake of 40 from academic year 2002-2003 till 2005-06. Trust also established Diploma College in name of PVPP's Manohar Phalke Polytechnic College from Academic Year 2001-2002 till 2014-15.

From Academic Year 2018-19 the Trust has started its New Architecture College with Intake Capacity of 40 in name of "Vasantdada Patil Pratishthan's Manohar Phalke College of Architecture". This Architecture College is duly approved by Council of Architecture, New Delhi and Government of Maharashtra and recognized by Directorate of Technical Education, Maharashtra. This 5 years degree course in Architecture is affiliated to **University of Mumbai**.

The Trust also introduced a new Degree Course in Applied Art with Intake capacity of 60 from Academic Year 2019-20 in Padmabhushan Vasantdada Patil Pratishthan's College of Engineering.

The trust has started a new college of law with an intake capacity of 60 in the name of "Vasantdada Patil Pratishthan's Law College" from academic year 2019-2020 with an aim of nurturing quality Law graduates entrusted with benefitting society at large.

Trust has started a computer academy in the name of Vasantdada Patil Pratishthan's Academy imparting courses in softwares like DTP, Autocad, Sketchup, Lumion, Revit, 3dsMax, Photoshop related to Architecture, Interior, designing and Engineering at fractional costs related to other software classes in the market.

VISION ...

In pursuit of perfection, the institute is committed to provide balanced quality education standards by nurturing academic excellence through ingenious innovation and contemporary creativity, relevant social skills and ethical values, research and technology, in a fun learning environment, establishing a landmark in the Architectural Field which shall remain a source of pride for all Indians.

CORE VALUES ...

- V: Visionary
- P: Productive
- P: Passionate towards growth, innovation & learning
- M: Manpower Mobilization
- P: Processing raw talent into refined one
- C: Concrete platform for overall development
- O: Opportunities to challenge & inspire
- A: Accountable to the people of India and to all its immediate stakeholders including students, staff, faculty, alumni and industry.

MISSION ...

- Institute is committed to the highest standards of teaching, research, ethics and service to the community and its graduates are prepared to be knowledgeable, thoughtful, creative and responsible individuals.
- Institute is keen in building a student-centered learning environment that promotes advanced critical thinking skills, fosters creativity and instills a commitment to lifelong learning.
- Institution is concentrating on establishing linkages and liaisons with regional and international businesses and educational institutions to meet mutually beneficial needs and respond to emerging trends.
- Institution collaborates with other academic and research institutes in region and around the world to strengthen the education and research ecosystem.

FROM THE GENERAL SECRETARY'S DESK . . .

From its inception in 1990, this institute has established itself as one of the most successful and credible educational bodies of its kind across the length and breadth of our nation. With over a decade of experience in the field of education, we have attracted students from all over the country and have developed strong links to the national and international business communities.

I can say with complete confidence that our prospective Architecture Institute, VPPMPCOA, will present one of the finest Architecture educations in the country as it is a community of learners, striving to educate the mind, nurture the spirit, and foster the development of the individual. Our dedicated and talented faculties support the vision and mission of the management, as they continue to seek educational growth for themselves; they bring new and innovative ideas back into the classroom. The thirst for knowledge and love of learning thrive at the institute, in both, students and teachers.

If you believe that successful management is based on genuine capabilities and profound knowledge, if you wish to go beyond success, and if you are confident that you are among the very best, then this institute, VPPMPCOA, is the place just for you. It is a pride to welcome you all to one of the finest Architecture college in the country.

I would like to gratefully acknowledge the hard work and efforts of Principal Ar. Surendra C. Rane, teaching faculties, non teaching staff and admin staff who have worked hard, tirelessly with passion and commitment in realizing our goals.

I would like to share what I believe in, "Success is not measured by awards, medals, or trophies. Success is measured by the difference between what you are capable of doing and what you actually achieve".

**SR. ADV. APPASAHEB DESAI
(GENERAL SECRETARY)**

Nandkumar Katkar, President VPP
Social worker, politician.
Vice President - Nationalist Congress Party (Mumbai)
Director - Mumbai District Co-operative Bank.

FROM THE PRESIDENT'S DESK . . .

I am extremely honored and grateful for honoring me with the position of elected Chairman of Vasantdada Patil Pratishthan since 2021. My vision was precise and meticulous towards the progress of society which is negligent and down trodden due to lack of technical education.

Vasantdada Patil Pratishthan is pioneered by Late Shri Vasantdada Patil our Ex. Chief Minister.

His vision behind proposing law of sanctioning private colleges for imparting technical education helped many to seek engineering and other technical fields even from rural areas. This revolutionaries have successfully nurtured the spirit of patriotism & imbibed moral, ethical, cultural & social values in the society in the bygone era. Thus VPP has a glorious legacy of 40 years. Such a visionary's Institute is managed by my friend Adv. Appasaheb Desai in capacity of General Secretary. As I entered in this college as a Chairman of Vasantdada Patil Pratishthan I proposed education for every downtrodden community despite of financial crises in family, and the facilities for loan and other subsidies are made available for all needy students. At present VPP has started imparting education not only in engineering but also in architecture, law, applied art, fine art and interior design.

At present, The VPP has a prominent feature and that is its location which is feasible from every nook and corner of the state. This helps in catering education to almost all areas of central, western areas of Mumbai and state. Currently every year more than 2000 students are getting passed and placed by the Institution. VPP creates supportive educational environment for its students so that students become self motivated and responsible future citizens. Me with team of Adv. Appasaheb S. Desai decided and executing plans to achieve victory in education sector not only limiting to technical education but also in medical and school sectors.

AR. SANJAY VASUDEV CHAWDHARI
Principal (March, Bareilly)

FROM THE PRICIPAL'S DESK . . .

'ALL REAL Education IS THE ARCHITECTURE OF THE SOUL'

There are no rules of architecture for a castle in the clouds. Whatever good things we build, end up building us. It's impossible to go through a single day without encountering architecture. The built environment is entwined with every facet of our lives - from our homes to workplaces, from our cultural to social lives, and from slums to mega cities.

Today, the world is rapidly changing with the advent of new technology and materials. What once were seen as impossible dreams, are fast changing the skylines of various cities all over the world. At the same time, it is facing the real dangers of global warming due to rapid depletion of the natural resources utilized under the guise of development. Architecture and its education still seems to be far from nurturing these ethics as if still continues to serve the so called elite class and a bunch of unethical developers. In Indian context, there is multitude of socio-economical and more so worst political issues, and architectural education is dismally failing to touch these issues.

We shall also endeavors to imbibe in the minds of the students the liberal art in the field of humanities by establishing close ties with allied field of literature, painting, sculpture, drama, dance, music, photography, travel and tourism, which shall essentially develop their personality into a whole human being. Our ambition is to create an institute that excels students in educational, social, physical, cultural and economical fields, by providing a constant formation of knowledge and state of the art skills, through the best of infrastructure that we can provide for sketching.

The roadmap for the decades to come. This will enable them to connect with the time and place of the people for whom they are designing for making most of the natural local materials and craftsmanship, standing tall in the herd of architects coming out of all architectural institutions year after year. Our combination of innovation, creativity along with the principle of sustainability, awareness, social-economic and political issues, well equipped with the smart skills, shall definitely elevate our institute beyond the established peaks of architectural education, that we all are aspiring for.

This will mark an auspicious beginning for our institute in the field architectural education, and these baby steps will lead to the indelible marks for all other to follow in the near future. Looking forward from all the colleagues in the architectural profession and education and the various institutions, to extend whole-heartedly their co-operation and success to make a "Grand beginning".

CONCESSION (SCHOLARSHIP/ FREESHIP) SCHEME 2019 - 2020

Type of concessions available -

- Scholarship (Govt. of India)
 - Freeship (Govt. of Maharashtra)
 - EBC concession (Govt. of Maharashtra)
 - STC- Secondary Teacher wards concession (Govt. of Maharashtra)
 - Maharashtra State Minority (Govt. of Maharashtra)
 - Central Minority (Merit Cum Means Minority) (Govt. of India)
 - Central Sector Scholarship (Govt. of Maharashtra)
 - Dr. Babasaheb Ambedkar Swadhar Yojana (Govt. of Maharashtra)
 - Dr. Panjabrao Deshmukh Hostel Maintainance (Govt. of Maharashtra), only for open category students
 - Private Scholarship - Ratan Tata Scholarship , Mahalaxmi scholarship & Siddhivinayak Scholarship
 - If student's admission is through CAP then he / she is eligible for Govt. Scholarship. Students admitted under Institute Level quota / vacant seats cannot avail this benefit.

VPPMPCOA'S ADMINISTRATIVE TEAM

Vasantdada Patil Pratishthan's Manohar Phalke College of Architecture's has its dedicated team of administrative and teaching staff who continuously works on academic and administrative excellence.

Mr. Maruti Shitole
Registrar
V.P.P.M.P.C.O.A.

It is my privilege of being appointed as first Registrar of Vasantdada Patil Pratishthan's Manohar Phalke College of Architecture. With so much of faith entrusted in me by the Management of our college I always tried to maintain quality in education system of our college. There are only 9 colleges in Mumbai region who impart Education in Architecture. Despite of being challenged by nine existing colleges we have been always firm and confident about our ACE status in the fields of Architectural studies.

Ours is the only college who emphasize on overall growth of a candidate from admission. We have formed Vasantdada Patil Pratishthan's Academy to give training in software programmes such as AUTOCAD, REVIT, SKETCHUP etc. knowledge to students in very affordable rates so that they can face technicality of the world once they pass out from our institution. We are giving hands on training program through Workshops & Study Tours. Though ours is a centrally located college and accessible from every corner of the City of Mumbai, our Hostel facility will act like a boon to students who are from Other than Maharashtra State or stay "far away distances". We are even giving personal attention towards the students who are staying away from their home town in regards to their food and studies requirements. Pratishthan is having tie up with the nearby Somaiya Hospital for any emergency. We are seeing to it that by the end of 5th year of the academics, students will have ample of project opening in public and private sectors.

We have formed online feedback and grievance system so that students can come out and speak of the complaints if any faced by them during academics without revealing their identity.

I welcome all parents, students and stockholders to be part of VPPMPCOA family with trust and surety.

Mr. Rangrao Kamble
(Librarian)
V.P.P.M.P.C.O.A.

It gives me a great pleasure to welcome you at V.P.P Manohar Phalke college of Architecture .Being a librarian I would like to support in your studies and in making good use of your knowledge; we will help you to locate, select and accure information you need from what may seem like a rather daunting mountain of books.

Ms. Manisha P. Shitole.
(Head of Admin section)
V.P.P.M.P.C.O.A.

I am very thankful to our Management to entrust in my caliber and giving me chance to serve for Architecture College in Administrative Officer's capacity. Being working as Administrative Officer I always try to be prompt in attending every need of students if brought to the notice. I am privileged with additional charge in capacity of Dean of Academics. My only motto is to bring our Institution in the list of one of the top most supreme Architectural Institutions. Grooming of the students and their overall development is my concern and I believe in appreciation policy which give students encouragement towards achieving highest goal by setting new challenges.

Mr. Amit Desai Mr. Anandrao Patil

SUPPORTING STAFF

CLUBS AND ASSOCIATION...

The Indian Institute of Architects (IIA) & Practicing Engineers, Architects, Town Planners Association (PEATA). We encourage students to enroll their names in IIA student's body for knowledge of professional practice. Also PEATA which collaborates with Municipal Bodies like MCGM in formulating the Development Rules and other issues helps the upcoming Architects in their professional life/ practice.

CULTURAL EVENTS...

ABOUT THE LIBRARY

The Library of Vasantdada Patil Pratishthan's Manohar Phalke College of Architecture was established in 2018. The library is located at Room No.616, sixth floor, 'A' wing Shri. Rangrao Kamble is the distinguished Librarian enthusiastically co-operative towards students at any hour. The library started with its initial collection of 320 books has now grown up to a rich collection of 487 books.

The library has made progress in terms of collection of books, journals, e-resources, services and has provided Infrastructure.

PURPOSE

The purpose of a library is to freely disseminate knowledge. Our library is therefore operated on a need based approach rather than the usual rules-based treatment given to students everywhere. We allow open access to the collection through information literacy we encourage students to read books and access e resources

- **OBJECTIVES:**
- Enrich collection
- Optimum utilization of existing resources and e-resources
- Adding to readership number every year.
- Enhancing reading habit in students and staff
- Promote library as a vibrant learning unit

COLLECTION:

- Books : 487
- Journals : 08
- Newspapers : 04
- Map : 01
- E-Journals
- E-Books

FACILITIES AVAILABLE

- Fully air-conditioned
- Open Access
- Specious Reading hall
- Computerized user friendly database
- Computerized Issue-return
- Digital Library
- Book Bank
- Internet
- Online Public Access Catalogue
- Reprographic
- Training on E-resources

LIBRARY TIMINGS - 08.00A.M. TO 05.00 P.M.

**FACILITIES IN COLLEGE CAMPUS . . .**

LIFE BEYOND STUDIES...

Workshops/ Tour/ Academy At a time when Architectural research and new technologies are dominating the curriculum of colleges and universities, this important step of organizing Workshops, Study Tours and Academy for Software Courses Training refocuses the overall development of all students in best prospective Architects. These Tours are organized around the National and International levels so that every student gets the idea of modern as well as ancient architectural skills. Workshops give every student hand on tool guidance in the most crucial part of practical knowledge. Computer Classes Academy which is started by VPP is preparing students for their future as well as current software knowledge needs. VPP is even planning to start Diploma course in Interior Designing so that students coming out of VPPMPCOA will be outstanding and more knowledgably amongst other budding architects. All these activities will prepare the students for most important and difficult task of facing the practical world. VPPs main motto is "Preparing Students for Life Beyond College explores a vision of education that will enable students to talk about universal issues openly and honestly, preparing them for life beyond their formal education. Featuring a variety of traditional and innovative pedagogies, strategies, recommendations, and case studies, this practical resource provides student affairs practitioners and higher education faculty in a variety of disciplines with concrete approaches for developing campuses, institutions, building structures etc. that encourage critical thinking and reflection. This exciting beyond college activities prepares students to create a meaning in their lives without compromising discipline, punctuality and accuracy.

STUDENT'S COUNCIL

VASANTDADA PATIL PRATISHTHAN'S
MANOHAR PHALKE COLLEGE OF
ARCHITECTURE

ADMISSION PROCEDURE...

- Candidates shall apply through the Centralized Admission Process (CAP) conducted ONLINE by the Competent Authority State Common CET Cell (ARA)
- The Online Application form has to be confirmed and documents have to be verified at the facilitation centre by the candidate is mandatory.
- A Final Merit List will be displayed and published on the website.

Visit - www.cetcell.mahacet.org

ALLOTMENTS OF SEATS...

- 80 % seats will be filled by Component Authority of Govt. of Maharashtra (ARA) .
- 20 % Institute level seats and seats remains vacant after cap round will be filled at institute level on merit basis.
- The admission procedure will be followed as per the rules of state CET cell (ARA) , Directorate of technical Education, Government of Maharashtra .
- Eligibility criteria for the 5- year course in Bachelor of Architecture — (intake 40 seats) as per COA norms.

Documents necessary to be submitted at the time of admission

- Application Form
- SSC & HSC / Diploma Marksheet
- NATA / JEE Mains scorecard
- School/College Leaving Certificate
- Caste/ Validity/ Income/ Nationality Certificate (as applicable)

ADMISSION CRITERIA...

No candidate shall be admitted to architecture course unless she/ he has passed an examination at the end of the 10+2 scheme of examination with at least 50% aggregate marks in Physics, Chemistry & Mathematics and also at least 50% marks in aggregate of the 10+2 level examination OR passed 10+3 Diploma Examination with Mathematics as compulsory subject with at least 50%marks in aggregate.”

DETAILS FOR ADMISSION TO F.Y.B.ARCH

- 1) For registration visit website - www.cetcell.mahacet.org
- 2) Click B.Arch and click new candidate login.
- 3) Kindly read the information Brochure / Admission rules for professional courses - 2019 before filling the applicant form.
- 4) Follow the instruction carefully while filling the data.
- 5) Report to the nearest Facilitation Center (F.C.) with all the relevant documents and complete the process at the F.C.
- 6) All queries and doubts will be addressed at FACILITATION CENTER
- 7) Registration of candidates seeking admission to F.Y.B.Arch is mandatory.

VPPMPCOA offers a five year degree program, recognized by the Council of Architecture (COA) and the **University of Mumbai**. The overall course structure is formulated within the framework of the Mumbai University Syllabus. The course is broadly divided into three categories that are interdependent:

- Humanities
- Design
- Technology

Subjects include

- Architectural Design
- Allied Design including Interior Design, Landscape Design, Visual Design, Basic Design, Urban Design etc.
- Architectural Representation & Detailing
- Building Materials & Construction
- Environmental Studies
- Theory of structures.
- History of Culture & Architecture
- Professional Practice

- Architectural Theory

The course includes a practical training in Semester VIII through internship in a professional office. At the end of the internship a viva-voce is conducted by external examiners of University of Mumbai.

The course culminates with a Design Dissertation as a part of the University course structure.

Apart from the mandatory courses several extra-curricular courses and activities are offered under Electives and College Projects.

Electives include:

- Photography
- Communication Skills
- Apparel Design
- Origami
- Street Art
- Art of Illustration
- Product Design
- Parametric Architecture
- Revit Architecture

At VPPMPCOA we believe in engaging ourselves with the communities and study the city we live in, through analyzing Social, Cultural, Economical and Environmental characteristics. For this, we have introduced Mumbai Vision as a part of Semester College Project, where the students visit a part of Mumbai and study in detail.

Periodically, Guest lectures are organized, where practitioners from various fields of culture and technology are invited by the college to present their work and discuss with students. Study tours are organised every year. The study undertaken is then integrated into the design projects.

- Teachers Enrichment and Orientation Program are held before commencement of each Semester
- We expect 100% attendance in theory & practical sessions.
- Lecture Series, Seminars and Workshops are carried on for betterment of student's career which is based on topics other than syllabus.
- ID Cards shall be worn by the students compulsorily inside the Campus.
- College activities are strictly followed as per Academic Calendar and Time Table.
- Self appraisal and students online feedback about teachers is taken for vigilant supervision of teaching tactics and suggestions are given for improvements in teaching.
- Internal Monitoring is done on every 1st and 3rd of Thursday of month.
- Continuous assessment through Orals, ViVa, and Project Exhibitions is done.
- Remedial and Makeup Classes are conducted for improving academically weak students.
- Use of mobile phones strictly prohibited inside the campus.
- Late coming is followed with the strict disciplinary action.
- Liberal policies are undertaken for celebrating festivals like Fresher's and Farewell Party, Annual gathering, Techno Cultural and Sports days.
- The Parents Teacher Interaction Meeting (PTIM) is formed once in every Semester with a view to maintain effective interaction between the college and parents which will improve the performance as well as attendance of the students. We see to it that studious as well as careless students are benefitted by this.
- Mentor system is available
- Educational Tour is organized for students in and out of Mumbai to inculcate the practical knowledge.
- Ragging is prohibited.

Eligibility:

1. Student should be domicile in the state of Maharashtra.
2. The student should have obtained minimum 50% marks in last examination appeared.
3. The income of students and parents should not exceed more than 8 Lakhs per annum.
4. Students studying in any Institution in Mumbai are eligible.
5. Students admitted through CAP round in any college from Mumbai imparting Professional Education.
6. Students admitted in Non-professional Higher Education Courses in Mumbai.
7. Students studying STD. XI and XII in any college from Mumbai.
8. Age limit of the students is 16 to 25 years of age.
9. The terms, condition and eligibility are governed by the Government of Maharashtra by GR No sankirna-2018/prakra.249/tanishi-4, dated 13.07.2018.
10. The Hostel Accommodation Charges shall be 10,000/- per year.
11. The eligible students are required to pay mess & other charges.
12. The interested students shall make an application seeking admission in prescribed format to General Secretary, Vasantdada Patil Pratishthan at the earliest.
13. The Admission shall be given to the eligible students on first come first serve basis.
14. Forms are available in Office of PVPP College of Engineering between 09:00 a.m. to 05:00 p.m. Monday to Friday excluding Bank Holidays.

Hostel Address: 1/A-3 , Shivshahi Punarvasan Prkalp Maryadit,
Antophill, Opposite Wadala Fire Brigade, Wadala Mumbai 400037.

INTERIOR DESIGN CLASSES & WORKSHOPS

- In today's world the demand for a complete Architect with knowledge of all aspects of the field is a must.
- In order to benefit our current students and future students, the Management is in the process of starting Interior Designing Courses of One Year and Two Years with emphasis on current practices in the field also with an aim to give maximum benefit to students studying Architecture or other fields the classes will be held only on Saturdays and Sundays.
- To get more benefit in practical knowledge we have carried out bamboo workshop, brick workshop , structural model making , etc.

VASANTDADA PATIL PRATISHTHAN'S ACADEMY

- Today , in the life of fast growth , all the things has to be done in fastest format.

Even in subjects like design, everyone needs quick results.

- In such fastest life, architecture student should face all the problems.

- So, to produce fastest result in terms of work and to mould our students in every aspects, our education trust has established own academy of softwares named by Vasantdada Patil Pratishthan's Academy.

- Under this academy , Architecture student will understand importance of softwares in respected field and will get trained in softwares like-

- 1) Autocad
- 2) Sketchup
- 3) Photoshop
- 4) Revit Architecture
- 5) 3ds max
